RELEASE YOUR JABRA

The Jabra BT500

The next generation of the world's best-selling Bluetooth® headset!

Better than the best

The BT500 is the next generation of the best-selling Bluetooth headset. The prize-winning Jabra BT250 is consistently ranked as the number one headset choice for professionals worldwide. With the BT500, Jabra has built on the strength of this success to produce a headset that is comfortable and cutting-edge, a headset that is designed to let you communicate freely and naturally.

Extremely comfortable

If you want Bluetooth technology designed for all-day comfort, the Jabra BT500 is the perfect choice. The ergonomic design fits comfortably behind your ear. Significantly slimmer than its predecessors, the BT500 offers the ultimate in lightweight comfort for a Bluetooth headset.

High performance and great usability

Jabra is not just about looking and feeling good, but about state-of-the-art technology as well. New features make the Jabra BT500 easy to operate. A one-touch pairing button makes pairing your mobile phone simple. The multi-color LED lights keep you informed on your Bluetooth connection, charging status and battery status. You also have the convenient option of charging directly from your PC via a USB cable.

The Jabra BT500 is the perfect choice for the business professional who wants a high-performance mobile headset that looks and feels great!
